**About the Show:** When Lucia, a Mexican-born novelist, gets her first TV writing job, she feels a bit out of place on the white male-dominated set. Lucia quickly becomes friends with the only other Latino around, a janitor named Abel. As Abel shares his stories with Lucia, similar plots begin to find their way into the TV scripts that Lucia writes. *Fade* is a play about class and race within the Latino community, as well as at large, and how status does not change who you are at your core.

**Roles Available:** **LUCIA** - 28, Mexican-born, acculturated. When in Mexico one would call her a "Fresa" but here, she's just an Americanized Mexican who navigates the codeswitching between Spanish and English as well as the rest of her (globalized) generation.

**ABEL** - Early 30's, born in the U.S. Mexican-American but quite Mexicanized. Born and raised in LA, proud of his Mexican heritage.

**Actors will receive a stipend.**
