

Side Four

FG I've got to get going. I just wanted to drop by and say hello and meet you.

CINDERELLA Why did you want to meet me? Do you live around here? Are we neighbors?

FG No, no, nothing like that. It's just that I know things haven't been so great for you lately and I'm here to help! I don't know how yet. But I'm gonna help you!

CINDERELLA I don't need any help. I don't know what you're talking about.

FG You wished for me. I mean, help. You wished for help and I'm it. Although let's get one thing straight: I don't do housework.

CINDERELLA What exactly do you do?

FG Not much of anything lately, I've lost my wand.

CINDERELLA Your wand?

FG Yes, and I'm having a terrible time without it. Everything is much more difficult of course.

CINDERELLA Of course.

FG And the spells don't last as long.

CINDERELLA Well, they wouldn't without the wand right?

FG Right. But I can't let that stop me, now can I?

CINDERELLA No, I guess not.

FG No, of course not. So don't worry about a thing. I'll be here when you need me. And we'll figure out a plan. Don't worry, kid. You're gonna be happy.

CINDERELLA I'm happy now.

FG That's cuz you're a sweet kid, but you deserve more, and you're gonna get it. I just gotta figure out a way.

CINDERELLA I'm sorry, but I'm confused. Why are you trying to figure out a way to make me happy? And who are you?

FG Oh, no, didn't I tell you? I can't believe I forgot. What with losing the wand and all I've been somewhat muddled. I'm your fairy godmother.

CINDERELLA My fairy godmother?

FG Yes, but I've got to run, your stepmother and stepsisters will be back any time now. We'll talk again soon, okay? Take care of yourself til then, and don't worry because I'm taking care of everything.
