Somebody almost walked off wid all my stuff

Or two sizes too small for my own tacky skirts
What can anybody do wit something of no value on
A open market/ did you getta dime for my things/
Hey man/ where are you goin wid all my stuff/
This is a woman's trip & i need my stuff/
To ohh & ahh abt/ daddy/ i gotta mainline number
From my own shit/ now wonthchu put me bac/ & let
Me play this duet/ wit this silver ring in my nose/
Honest to god/ somebody almost runoff with alla my stuff
